SHOOTING FOR LOVE .- Early in this month, | a young Prussian named Frederick W. Michel was arrested in New York on the charge of shooting a pretty young girl named Magdalena

and Clark, and left them on their return on the Rocky Mountains, where he followed his former occupation as a bearer.

Ettenne Luciere died in Marion county on the 10th of December, aged 65. He went to Oregon in 1812 as a servant of the late J. Astor, and remained as a trapper until 1829, when he look a claim opposite Portland, which he abandoned in 1830. In 1831 he took the claim on which he ended his daya. He was the first white man that settled on a claim in Oregon Territory. So says the Oregon Statesman.

The young woman having recovered from the effects of the shot, aithough the hullet has never the case of the shot, aithough the hullet has never the country of the size of the shot, aithough the hullet has never the country of the size of the shot, aithough the hullet has never the country of the made No less than eleven ateamers have been lost in the Pacific since Janna y 1st, 1851. They were the Commodore Preble, Union, Chesawere the Commodore Preble, Union, Chesawer a charge of shooting an inlent to kill; and in default of bail, common and in the commodore preble were the Commodore Preble, Union, Chesawer a charge of shooting an inlent to kill; and in default of bail, common the common common

an intent to kill; and in default of him to the Tomhs to await a trial. Proceer, City of Pittsburgh, Independence, Tennessee, and S. S. Lewis.

THE GISSES OUTWITTED.—We have see for some weeks past, and we presume many of our readers have also seen, totices of the agreement tone, having realized about \$60,000 since her arrival in the United States, and during the same time distributed \$6,000 in private charities.

THE GISSES OUTWITTED.—We have see the for some weeks past, and we presume many of our readers have also seen, totices of the agreement to the state. It is known that some of the band have made their encampment in this city for a few days past—on Delt water street, near Forest Lawm—and has it is seen that to say of these individual we have somewhat to say of these individual we have seen the seen that the say of these individual we have somewhat to say of these individual to the same time to be a some what a trial.

requires enough of hay, toots, &c., to keep use. By some means, they obtained post of the fact that Mr. Garret Tully—from the twom was named, and one of its more mable residents—had lost an account the twom was named, and one of its more mable residents—had lost an account when the following paragraphs from the "Country Gentleman" will explain:

Gentleman will explain:

Let us anount why at it that the homeon body. the mercury of the thermometer is frozen solid, morey in order to produce the charm. He accordingly placed in her hands \$300 in speece, all the heat it constantly secaping from the body at a productions rate in the same way that the heat of a store is constantly passing into the six which surrounds it and is carried off by the currents. Where does it all come from to supply this constant wait?

By breathing, a large quantity of oxygen from the air is constantly received into the lungs. The circulation of the blood both of which are derived from the food. The oxygen combines with these two elements, and, in the act of combining, a should be added to it, which we done. She should be added to it, which we done.

provided for by the administration, and that he If Presi' there has seled countries hair-brained Locolocos who go for kicking up al. The Detroit Free Press, the organ of

devils in all parts of the world, must next be greated to a line in the construction of such a work, during the fife-time of its subject, while, indeed, he is yet a young America," and neither of the threem st be neglected by the alministration. Mr. Sarpers has been amounced as the recipiest of the consulship to London, and, it he has not receive it already, he will no doubt receive it after a white in spite of all the bitter fun he has poke at Marcy, Casa, Buchanan, Bulter, and most of such a work.—a work, a large part of white in spite of all the bitter fun he has poke at Marcy, Casa, Buchanan, Bulter, and most of such a work.—a work, a large part of white in spite of all the bitter fun he has poke at Marcy, Casa, Buchanan, Bulter, and most of such a work.—a work, a large part of white in spite of all the bitter fun he has poke at Marcy, Casa, Buchanan, Bulter, and most of such a work.—a work, a large part of white in spite of all the bitter fun he has poke at Marcy, Casa, Buchanan, Bulter, and most of such a work.—a work, a large part of white in spite of all the bitter fun he has poke at Marcy, Casa, Buchanan, Bulter, and most of such a work.—a work, a large part of white in spite of all the bitter fun he has poke at Marcy, Casa, Buchanan, Bulter, and most of such a work.—a work a deviation of such a work and occurs with insconsent, if the subject, white, indeed, he is yet a young men, and, of course, with his consent, if the soft a work is a warp of the work in the least of the country in the least possible degree. He could hardly have chosen an equal in the subject of the recent in the subject of the recent in the subject of the recent is a point of such a work.—It is a promised to make the work in the subject of the Alle.

The publication of such a work is the soft outs of the subject white, indeed, he is yet a great of white in spite of the subject white, indeed, he is yet a great of white makes of the Alle.

The publication of such a work is a work in the constant of the country in the least possible d ut he is as distingu shed for talent as he is for

as e her Barnburneriam, Southern disunio ism. be Liverpool consulsh p. anti-rentism, or Young Americanism. Every

slave law and one or two others had passed the Senste, he proclaimed that the whole omnibus load was eafely through that body with the experiment of two small fellows which could varily be showed over or left beared over or le

and his elence has of course disappointed us. But we can't allow him to persist in being silect upon such a subject. It is our right to make him plead, and plead he must. We intend have the words out of his mouth even if we have to draw them out one by one with a cotk screw lie has written and published innumerable columns of savage denunciation against those Northern Whig members of Congress, who thought that the old fugitive slave law would do very well as it stood, and that the passage of the new one was not as important as folks surposed, and that, indeed, it was nothing but a little fellow that could easily be pitched out of the compromise with a ferocuous energy." There is not one word of truth in this, as our neighbor the country at the country and the day is an an analysis of the new one was not as important as folks surposed, and that, indeed, it was nothing but a little fellow that could easily be pitched out of the compromise with a ferocuous energy." There is the compromise with a ferocuous energy." There is the compromise with a ferocuous energy." There is an an analysis of country to the profession of the compromise with a will be well sustained by well sustained by a place of politics but well of interesting matter. Those who will find it so excellent medium.

So avere days each way, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville and New Orleans, and the daily way service between Louisville

ave a topied if he hadn't been a coward. Pray why is it that all our Locofoco organs are now pacific to regard to things, about which, only a chort time ago, they were so fearful y be gerent and blood-thersty?

The editor of the Democrat profe ses hamself well pleased that a consu ship with a salary about equal to that of a member of the Cabinet has been given to Mr. DeLeon, late of very last, exhorted and entreated South Carto a cede sumedia ely and separately from the Un o , assuring her, that, it alse would do o. the whole South would rally around her, and the U son be thus broken up forever. We care not o make at y comments upon a Kentucky editor's approbation and commendation of such an appent'ment. It is an appointment that sh he moral sense of every patriot in the nation. We cannot with truth say that reason and pa triotism are confounded together hy the administration, but on the contrary we can justly say tween them-that treason is bonored and rewarded and patrio'iom neglected. The quertion now asked at Washington city in regard to an applicant for office is not, "is be honest, is he capable, is he faithful to the Constitution?" but, is he a Sou'bern Disunionist, la he a Northern

A little more than two years ago when he question in Mississippi was whether the State a sould sphent to let the compromise ! arried out as a law of the land, Mr. Brown, now the wo t prominent Democratic candidate for U. S Senator, stood up and said, "So help me God! I am for resistance!" Brown and Davia and Quitman and their followers were for taking arms and bringing the Union at once to a blood . . Dd, yet now these accursed traitors are bono ed and idolized and reward far abo e the Democra .c | atracts, who, with the aid f the Whigs, met and overthrew them in their treason

We suppose that the editors of the Enquires ceuts an ounce. These rates, it is needless to profess to be entitle to some sort of belief when say, are little less than probability. The order, profess to be entitle to some sort of belief when they make statements as confidently as they make the en relation to the character and condard the soft urgent of the representatives of young America to China as special against the power to enforce its demands. Which does it prove—that President Pierce has no man or of respect for the 1. quirer's assert to fire ancient dominion. send the most urgent of the representatives of young America to Chana as special age to to lake part with the rebels, and subdute on foggetions in the heart of its ancient dominion.

Which does it prove—that President Pierce has a stee price in all cases, except as therein menimate of respect for the E quirer's assertioned.

This is from the Democratic Washingto correspondent of the Baltimore Sun, who says that the freesculers and the disunionists have been most infamous of coundels.

Which does it prove—that President Pierce has a stee price in all cases, except as therein menimate in the firm of the E quirer's assertioned.

This is the meeting at Cleveland, Ohio, on the 25th of July.

This is the meeting which was postponed last.

This is the meeting which was postponed last.

but he is as distinguished for talent as he is for his Young Americanism or Red Republicanism, and lie will not be attached with an unimportar place.

We confess we have serious doubts whether the aministration will be allowed to enjoy much peace even after the hestowal of some of the best offices upon the champions of Young Americanism. We presume some other Locofoce faction will then be found to have as noisy a mouth and as ravening and capacious a paunch as e her Barnburnerism. Southern disturbed in the sent of the same and the same time are personally so unexceptionable. The United Steredow will street while abroad; and that is saving more than could be added all our foreign replace.

Ward's consent if not at his instigation? and that its "an example with few precedents." Well, that at least one precedents." Well, the same that of some of a life of Fraik Pierce tast summer by Mr. Nathan I Hawthorne. Hawthorne's Life of Pierce was infinitely not confused to could have been made in so short time of so large a humber whose banishment the nation has been most prolonged.

Instead of wondering at the time consumed over these appointments, we marvel rather that a selection could have been made in so short time of a large a humber whose banishment the nation has been most prolonged.

Instead of wondering at the time consumed over these appointments, we marvel rather that a selection could have been made in so short time of a large a humber whose banishment the nation has a least one precedents."

The difficulty Church party.

The difficulty Church party.

The difficulty Church party.

The United Steriloo will ever permit humself to be picked up drunk in the public streets while abroad; and that is saving more than could be and of all our foreign representatives for many years. There are not saving the could have been made in so short time of a large a humber whose banishment the nation has been most prolon

anti-rentism, or Young Americanism. Every faction remarkable for anything much-twour, outrageous, or abourd, must of course have a base of the public patronage, else the Democratic party can't be kept together. All must have shares except the quet, ordelly, patrotic portion of the Democratic party can't be kept together.
